

Let's sit beneath the apple tree
And talk and talk and talk and talk
Even if we disagree
I like you and you like me.

We sit and sit and talk and talk
What shall we do today?
We sit and sit and talk and talk
We'll do it all in a quiet way.

I'm mad at you. You're mad at me
Why do we disagree?
Let's sit and talk, you and me
To make life as friendly as can be.

I do not like what you say to me
What do I do in this case?
I'll just take out my crayons
And draw a funny face.

It's such a beautiful sunny day
I hope everything's going my way
And what do I do on such a nice day
I sing and I dance. I laugh and I play.

When I don't feel good for a while
I just lift my head and smile
Then I listen to music—that's what I do
It helps me—it may help you.

When I don't do
What I think is right
I try and repair it
Day and night.

It's nighttime and we'll go to sleep
And dream and dream away
Dream of what we can do
To make a happy day.

Let's have fun
Let's have fun
And spread some fun
To those who have none

Here I sit
Feeling blue
But you cheer me up
As you always do.

I talk to you
You talk to me
Let's work out
What needs to be.

Let's talk and talk
Let's dance and sing
Cause nothing will change
If we do nothing.

Why are we here?
What do we do?
Live a good life
Love each other too.

What do we do
If we don't understand
Talk to a friend
Friends can be grand.

Let's all party
Let's have fun
Let's be kind
To everyone.
