Here I Am

Here I am

Here I am

Without a lover

Without a man

The days are lovely

But when they're through

I'm still waiting

To hear from you

Where O Where

Where o where

Did the time go

Where o where

Where o where

Where o where

Please tell me

I love you

And you love me

Where o where

Where o where

Where o where

Where o where

The Sky Is Blue

I love Mother Nature

But I think

There are dishes

In the sink

I love Mother Nature

The sky is blue

The dishes will wait

Until I'm through

Love Me

Do you really love me

Do you think I'm grand

And if you really love me

Let me hold your hand

Love

Love makes you fail

At everything you do

Why must I choose

Choose success or you

Your Arms

Take me in your arms

Tell me you are mine

Tell me that you love me

Tell me all the time

Love me

Love me

Love me

Love me all the time

Love me

Love me

Love me

Love me all the time

Tell Me

Tell me. Tell me. Tell me

Tell me you are true

Do you really love me

Yes, I love you

The Light Of Love

The light of love

Shines in your eyes

The lovely light

Of love

The light of love

Shines in your eyes

The light from Heaven

Above

Today

What o what

Shall I do today

Love will light

The way

Love will light

Love will light

Love will light

The way

Loveliness

Sing a song of loveliness

Sing a song of love

Sing a song of loveliness

Lovely, lovely Love

All I See

All I see around me

All I see is you

I'm happy love has found me

I'm happy I love you

End My Day

I'll end my day

Just the way

That it has

Begun

With love for all

Yes. Love for all

And for my special

One
