

When I'm happy
I'm go go go
When I'm mad
I'm slow slow slow

When I'm good
I'm glad
When I'm bad
I'm sad

Let's you and me
Take a walk
We'll take a walk
And talk talk talk

I go to school
And learning I love
Like blue skies
Up above

When I'm hungry
And there's food to eat
I thank Mother Nature
For the treat

Rhyme & Reason Nursery Rhymes by Anne

When I'm tired
And I go to bed
Thanks to the pillow
Where I rest my head

The summer weather
I love it so
And birdies sing
And flowers grow

Sometimes it rains
On a summer day
So we'll go inside
Inside we'll play

I like you
You like me
Let's be friends
Friends we'll be

The summer sun
Smiles so wide
And when it rains
We play inside

Rhyme & Reason Nursery Rhymes by Anne

The kittens purr
The puppies bark
The children play
We're on a lark

Let's play with the puppy
She loves to play
Just like we do
Day after day

Let's play with the kitten
So soft and furry
She likes to purr
And she's never in a hurry

The day's almost done
It is suppertime
Soon we go to bed
And everything's fine

We'll go to bed
We'll go to sleep
We have our friendship
We'll always keep
