

Jingles

By Anne

Here are some jingles
For you to see
Thoughts and feelings
In poetry.

HERE I AM

Here I am

What do I do?

Don't feel happy

Don't feel blue

Walk down the street

Bells on my feet

Smile courageously

At all whom I meet

People do like me

Was not always this way

I now act as I should

And all is OK

So all the bad stuff

I push down inside

And in plain sight

I hide—yes I hide.

WHO AM I?

Where am I going?

Where will I be?

Who am I anyway?

I am me. I am me

The earth revolves

And so will I

I see the ocean

I see the sky

To the depths of the ocean

I'll check it all out

To the heights of the sky

I'll reach it, no doubt

I'll see from the mountains

The valleys below

It all looks so lovely

But there I'll not go

From the depths of the ocean

I'll reach high to the sky

I know now who I am

I am I. I am I.

SUMMER

Finally the first

Full day of summer

Is here

With lots of summer fun

To greet us

Dear

Enjoy the swimming

Or whatever

You may do

And we all wish

All good things

For you.

THURSDAY

Thursday is here again
The skies are clear again
The sun is shining bright
Hope all is well
Where you dwell
Hope that you're all right
Bruce and I
Say to you
Enjoy your Thursday
The whole day through.

SAD

It's so sad

When life slips away

From those whom you love

And all you can do is pray.

WEEKEND

Enjoy the weekend

Please do. Please do

What a glorious weekend

Just for me and you

The sun is shining

The air is sweet

And it is springtime

Life is complete

So enjoy the weekend

We all say to you

Enjoy the weekend

And the week ahead too.

MONDAY

Today is Monday

And what do we get?

It is raining

And we get wet

And what do we get

When the rain is through?

Lots of sunshine

For me and you.

SCAPEGOAT

Poor little goat

So helpless and weak

Who needs kindness and love

But his future looks bleak

Poor little goat

Now homeless at best

Burdened with sins

He'll go to his rest

Poor little goat

He takes his last breath

With hatred and violence

He goes to his death.

ENJOY YOUR WEEKEND

Enjoy your weekend

Enjoy the spring

The sun, birds and buds

Enjoy everything

May the showers and breezes

Be welcoming too

And we all say

“Happy springtime to you.”

BEAUTIFUL SPRING

The flowers are beautiful in the spring

And the sun is out today

And the birds are singing and on the
wing

And what a lovely day

Hope you're enjoying the springtime too

Bruce and I both say

Enjoy the magic that spring does bring

And may happiness fill each day.

SUMMER IS HERE

Summer is here
Enjoy it through and through
The mountains, the beaches
The ocean so blue
Enjoy the sunshine
The showers too
Or just take a walk
And take in the view
Or feel the sweet breezes
And smell all the flowers
Or lie in a lounge chair
For hours and hours
Whatever you hope for
May it come true
And we all wish
The best for you.

FATHER'S DAY WEEKEND

It's Father's Day Weekend

Be of good cheer

And celebrate fathers

Everywhere

We all wish them

Peace and to be glad

And let's give three cheers

For each and every dad.

THURSDAY IN WINTER

Thursday. Thursday

What a day

Winter. Winter

Go away

Bruce and I

Wish for you

A glorious springtime

When winter is through.

So “Shabbat Shalom”

To you we tell.

FIRST WEEKEND DAY

Saturday. Saturday
The first weekend day
And the spring weather
Is coming our way
We wish. We wish
For a joyful spring
With the flowers blooming
And the birds that sing
We sure will love it
We'll play all day
And then welcome summer
When it comes our way.

THE BIRDS ARE CHIRPING AWAY

The birds
Are chirping away
The birds are chirping today
It's so good
To hear their song
After a winter that was so long
Bruce and I
Say to you
We hope you enjoy the birds too
Greetings from us to you.

WAITING FOR SPRING

Wednesday is here
We're still waiting for spring
We wait for the joys
That spring will bring
The birds are now singing
Their song to the sun
Soon flowers will bloom
And we'll dance, everyone
Bruce and I wish
All good things for you
Summer, fall, winter, spring
Yes, the whole year through.

SPRING IS HERE

In beautiful spring

With a renewal

Of many a thing

Leaves on the trees

Birds on the wing

Buds and flowers

So let's happily sing

We'll sing our good wishes

To me and to you

And let's be happy

The whole springtime through.

GLOOMY WEATHER

The gloomy weather is here
But soon the sun will appear
And with her warm and comforting glow
We'll dance and sing.
I know. I know
Enjoy the spring
And all it will bring
The buds and flowers
And the birds on the wing
All of us
Say to you
Enjoy the springtime
Please do. Please do.

RAINDROPS

Put on your boots

Another rainy day

And jump in the puddles

Hooray! Hooray!

We know it's raining

We know. We know

But that's what makes

The grass and flowers grow

So all of us

Say to you

We'll walk between the raindrops

That's what we'll do.

RAINY WEEK

What a rainy week in spring

A rainy week but you know

It is because of the rain

That we see the flowers grow

So let us dance

And let us sing

And welcome the flowers

That bloom in the spring.

SHABBAT IS COMING

Shabbat is coming

Coming on fast

And may the peace that it brings

Forever last and last

Bruce and I

Wish for you

Shabbat Shalom

Forever true.

MOTHER'S DAY

Mother's Day is here

Mother's Day has come

And I just want to tell you

I had lots of fun

Fun spending Saturday

A pre-Mother's Day with you

And a pre-Birthday

And I love the present too.

MOTHER'S DAY TOO

What do you know

Cheers to all mothers

Way to go. Way to go

Today is Mother's Day

And it's raining you know

But the rain will make

The flowers grow

So watch the rain

And the flowers too

And we all say

"Hi" to you.

Let's give a cheer again

Hope you feel good today

Enjoy it through and through
The mountains, the beaches
The ocean so blue

And smell all the flowers
Or lie in a lounge chair
For hours and hours
Whatever you hope for
May it come true
And we all wish
The best for you.

BIRDS CHIRPING

I hear the birds chirping

Chirping with all their might

Do they know there will be a storm?

A rain storm tonight?

But then tomorrow

The sun will shine anew

So then enjoy the sunshine

Bruce and I hope you do

Enjoy the sunshine

Enjoy the day

May the joys of summer

Come your way.

ANOTHER DAY

Another day of summer

Another day of sun

Another day of showers

Another day of fun

Another day of thinking

And of talking too

Another day that Bruce and I

Wish the best for you.

THE TREES ARE GREEN

The trees are green

The sun is bright

The flowers are

A beautiful sight

With all our might

And Bruce and I hope

You find in it—delight.

SYMPHONY

Hear the birds chirping
Breezes swish through each tree
Creating a symphony
For you and for me
And the trees are so green
So tall and so high
Creating a pattern
Against the blue sky
Enjoy the summer
Bruce and I say to you
And enjoy each symphony
We both say to you too.

WHAT A LOVELY DAY

I hear the birds achirping

What a lovely day

May peacefulness and happiness

And make some time

For summer fun.

REARY DAY

What a dreary

Dreary day

Cloudy and drizzly

But that's OK

Time to stay

Inside and rest

Doing things

That you love best

Maybe read

A book or two

While Bruce and I

Say "hi" to you.

THE SUN IS SHINING

The sun is shining

The air is fresh

We're surrounded by love

We have happiness

We have reason to laugh

We have reason to sing

We have reason for hugs

We have everything.

ADIEU

I close my book

I say adieu

And I wish

The best for you.
