

Greeting the Day

By Anne

GREETING THE DAY

Here we are
To greet the day
Enjoy what you do
At work or at play.

I LOVE YOU

Where am I going?
Where? Where?
Where am I going?
There! There!
Over the rainbow
Where skies are blue
And where your fondest dreams
Will come true.
I'll paint you a picture
And write you a story
And if you like them
I'll be in my glory
Do be my friend
And walk beside me
And listen to me
Of what is inside me
To paint and to write
To write and to paint
Of all that there is
And all that there ain't
Be my friend
My friend so true
You'll love me
And I'll love you.

DEAREST

God has blessed me
With blessings true
He blessed me with
The love of you.

GOAL

What is this
Crazy stuff!
Separating families!
Enough! Enough!
We all want peace
We all want bread
To eat our meals
And a place to rest our head
We all want love
And people we hold dear
Let's work towards this goal
For far and for near
Let's work towards this goal
For far and for near.

BLESSINGS

I'm blessed with the luxury
Of food to eat
I'm blessed with the luxury
Of a place to sleep
With birds that sing
Moon and stars that glow
Soft breezes and flowers
And the white, white snow
Also I'm blessed
With friends so true
And I hope that these blessings
Extend to you.

I'M FREE

Why should I stay
In this dark, dark cloud
When the rainbow above
Beckons me?
Why should I stay
In this dark, dark cloud
When I yearn so much to be free?
I climb the rainbow
It's joy I see
I'll not look back
I'm free! I'm free!
I'll not look back
I'll not live in the past
I'll look ahead
It's joy at last
I'll not look back
At what used to be
I'm looking ahead
I'm free! I'm free!

BREAKDOWN

What do I do?
What do I do?
My head isn't right
My thinking's askew
It's very scary
To be this way
Myself getting worse
Day after day
What do I do?
What do I do?
Blow off my head
And put it in my shoe?
That's what I'll do
What do I do?
That's what I'll do
What do I do?

SMILE

What did I do to you so bad
That you don't want me anymore?
You smile at me so very nice
But your heart is cold as ice
But if to you
I do not bow
You are offended
And how! And how!
So I will just
Smile back at you
And make my own
Dreams come true.

PROBLEMS

The problems I have are many
The problems I have are few
The problems I have are many
What on earth shall I do?
The problems I have are many
The problems I have are few
The problems I have are many
I'll just have to work them through
The problems I have are many
The problems I have are few
The problems I have are many
But to them I have said "adieu."

WORK OR PLAY

So ambitious
So much to do
Takes more than
A day to get through
Work. Work
Work away
Is this really work?
Or is this really play?
Work or play
They're both as one
It is work
But it is fun.

I'M A STICKIN' WITH YOU

I'm a stickin' with you
You're a stickin' with me
We are happy together
As happy as can be.

HAPPILY WE GO ALONG

Happily we go along
It is a happy day
The sun it shines. The sky is blue
The flowers in the breeze all play
The flowers they all dance and sway
The birds they chirp and sing
Happily we go along
Not to worry about a thing
Happily we go along
Not to worry about a thing.

SUNSHINE, SUNSHINE

Sunshine, sunshine
We love sunshine
Shine for you.
Shine for me
Sunshine
The flowers bloom
The birds they sing
The sun it shines
On everything
Sunshine
The breezes swish
The rain will fall
The grass is green
The trees are tall
Sunshine
The bushes are green
The crickets sing
The children laugh
Birds are on the wing
Sunshine
Sunshine, sunshine
We love sunshine
Shine for you
Shine for me
Sunshine.

SECOND BEST?

You think of me
As second best
I cannot achieve
Like all the rest
But I can
And I sure do
No thanks to you
No thanks to you
I went to work
I went to school
I'm no fool
I'm no fool
And I've seen and done
More than most
To me I'll toast
To me I'll toast
And I live more
Everyday
Hooray! Hooray!
Hooray! Hooray!

MY OWN CHOICE

You tried to run
My life for me
This will not be
This will not be
I'm happy now
I have a voice
I make my own choice
I make my own choice.

TRANQUIL

My mind now is at ease
My soul now is calm
Everything is tranquil
After the storm.

SELECTED LETTERS TO GREET THE DAY

Dear Suzi,
Spring is here
Hooray! Hooray!
What a beautiful
Gorgeous day
Inside your house
You cannot stay
With all the sunshine
Coming our way
Bruce and I
Want to say
Hope everything good
Is here to stay.

Love,
Anne

Dear Suzi,
OK. OK
Another rainy day
It's April showers
What can you say?
But soon. But soon
It will be May
And the May flowers
Will greet us each day
So smile. So smile
Bruce and I say
And may love and happiness
Come your way.

Love,
Anne

Dear Suzi,
It's Thursday today
And what do you know
It's raining and raining
Sometimes hard; sometimes slow
What does that mean?
It means the flowers will grow
The daisies and roses
With their smiles all aglow
And Bruce and I always
Are thinking of you
Hope you're enjoying yourself
Whatever you do.

Love,
Anne

Dear Suzi,
Tuesday. Tuesday
Another spring day
A little rain
Has come our way
But who cares
About the showers?
It just means
There will be flowers
So enjoy your day
In everyway
All the best—
Bruce and I say.

Love,
Anne

Dear Suzi,
Hooray! Hooray!
Spring is here
The sun is shining
The air is clear
The birds are chirping
Their songs so true
And Bruce and I wish
The best for you.

Love,
Anne

Dear Suzi,
Time is almost here
For Shabbat
A peaceful Shabbat
For us means a lot
Take a rest
From many a stressful day
And Shabbat Shalom
Bruce and I say.

Love,
Anne

Dear Suzi
One, two, three
Four, five, six
What's going on
In politics?
What will be good?
What will be bad?
Hope all will be good
Or we will be sad
Bruce and I
Both say to you
God bless America
And each of us too.
Love,
Anne

Dear Suzi,
What a week it has been
With the snow, snow, snow
With the cold and the ice
And the wind does blow
Spring will be soon
That we know
And enjoy Shabbat
Way to go.
Love,
Anne

Dear Suzi,
It's Sunday and it's
Cold, Cold, Cold
To go out you must be
Bold, Bold, Bold
But the sun does
Shine, Shine, Shine
So everything will be
Fine, Fine, Fine
Bruce and I say
Hi, Hi, Hi
And until next time
Bye, Bye, Bye.
Love,
Anne

Dear Suzi,
Hey, Hey
Here's the blizzard
Hey, Hey
Here's the storm
Hey, Hey
Let's stay inside
Let's be cozy
Let's be warm
Let's be cozy—
We say to you
Let's be warm—
We say that too
Bruce and I both
Wish you well
So stay inside
Where you dwell.
Love,
Anne

Dear Suzi
Well, Well
How do you do
Well, Well
The blizzard is through
Well, Well
It's safe to say—
Although winter's still here
Spring is on its way
Bruce and I both say—
"Have a great day!"
Love,
Anne

Dear Suzi,
It's Shabbat today
And I'm away
On vacation
In sunny LA
I wish for you
To enjoy what you do
Love from me
And from Bruce too
Anne

Dear Suzi,
It's Friday today
And Shabbat is near
Time to relax
And be of good cheer
Shabbat Shalom
We wish for you
Love from me
And from Bruce too.
Anne

Dear Suzi,
It's Sunday today
And what do you know
Vacation's over
It's time to go
Vacation's over
It's time to fly
Vacation's over
We say "good-by"
So let us go
On our way
Have a good day
Bruce and I say.
Love,
Anne

Dear Suzi,
It's Monday today
And I'm home to stay
Back from vacation
In sunny LA
I'm recuperating from
Five days of fun
Hoping you have fun too
In all that you do
Lots of love to thee
From Bruce and me.
Anne

Dear Suzi,
It's Wednesday again
The middle of the week
It's Wednesday again
What do we seek?
Love and friendship
Today and forever
With family and friends
That's our endeavor
Bruce and I hope
All's well with you
In all that you feel
And in all that you do.
Love,
Anne

Dear Suzi,
Shabbat is here
Our day of rest
And Bruce and I wish you
All the best
We wish you the best
In every way
The best in work
The best in play
And Shabbat Shalom
We wish for you
Shalom today
And your whole life through

Love,
Anne

Dear Suzi,
Thursday is through
And I write to you
What a beautiful day was today
Thursday is through
And I write to you
Perfect in every way
But now the sun's down
And all around
The ghosts and goblins we see
Cause what do you know
It's a Halloween show
And scary they try to be
So I'll just say
Hope you had a great day
Love from Bruce and from me.
Anne

Dear Suzi,
It's now Wednesday
November two
And I now say
"Hello," to you"
"Hello," to autumn
"Hello," to sun
"Hello," to the leaves
"Hello," to some fun
"Hello," from Bruce
"Hello," from me
"Hello," from all
"Hello," to thee
 Love and Hello
 Anne

Dear Suzi,
Thursday is here
Our last warm day
Then the fall weather
For a while will stay
Then comes winter
Brrrrr! Brrrrr! Brrrrr!
Til the spring flowers
Start to stir
And I hope all
Is good with you
Wishing you all the best
And the best from Bruce too
 Love,
 Anne

Dear Suzi,
Friday is here
Shabbat is near
So for Shabbat
We can prepare
Prepare for peace
Prepare for love
Prepare for blessings
From up above
So good for us
To have friends like you
Love from me
And from Bruce too.

Anne

Dear Suzi,
Hey! Hey!
What do you say?!
Today's another
Beautiful day
I'm home now
Will go out in a while
So enjoy your day
And Smile! Smile! Smile!
The sun is out
The rain's far away
And Bruce and I say
Enjoy your day.
Love,
Bruce

Dear Suzi,
Today is Monday
One day away
From the election
On Election Day
One day away
And then we'll see
Who the next President
Will he/she be
One day away
One day away
In the meantime
Bruce and I say
Have a great day!
Have a great day!
Have a great day!
Have a great day!

Love,
Anne

Dear Suzi,
Going to vote today. Hooray!
I know everything will be OK
At least if you vote, you have a say
Hooray! Hooray! Hooray! Hooray!
Hooray today is Election Day!
And our new President will be our
choice
And each vote counts, so they say
So each of us has a voice
Bruce and I both say to you
Enjoy your day the whole day through.

Love,
Anne

Dear Suzi,
Thursday is here again
Sunny and cool
Some are off to work
Some are off to school
What do I do today?
I sketch and I write
Will be doing that pretty much
From morning to night
Hope that you are happy
Whatever you do
Love from me
And from Bruce too.
Anne

Dear Suzi,
Friday is here again
Shabbat is near again
Hope your day too
Is a happy one for you
Hope your day is happy
Hope all is good with you
Love from me
And from Bruce too.
Anne

Dear Suzi,
It is Sunday
The day after Shabbat
Shabbat was peaceful
Peaceful a lot
Now Sunday is here
The week starts anew
With plenty to see
And plenty to do
We wish you the best
The very best to you
With love from me
And from Bruce too.
Anne

Dear Suzi,
Happy Monday
What a beautiful day
What a colorful autumn
With the leaves in full display
The colorful leaves
On and off the trees
In the bright autumn sunshine
Will surely, surely please
Bruce and I
Wish for you
A colorful, happy day
Whatever you may do.
Love,
Anne

Dear Suzi,
It's Friday again
A beautiful day
And then comes tonight
Shabbat's on its way
It's been gorgeous
With fall in the air
With bright colored leaves
Everywhere
Bruce and I wish
Sabbath blessings for you
Wherever you are
Whatever you do.

Love,
Anne

Dear Suzi,
It is Thursday
Hey! Hey! Hey!
Now it is
Thanksgiving day
Know we'll see
Each other at last
Until then and always
Have a blast!
Happy Thanksgiving
To all and you
Love from me
And from Bruce too.

Anne

Dear Suzi,
Today is Monday
A bright, cold day
I'm sitting here with my laptop
Wondering what to write and say
I'm looking out my window
The trees are getting bare
Jack Frost will be coming soon
I can feel it in the air
I hope that you
Look out your window too
Because the autumn
Is in full view
And Bruce and I
Send our love to you.

Love,
Anne

Dear Suzi,
What a day
Dark and hazy
And it is
Raining like crazy
We need the rain
I know we do
But it feels much better
When the sky is blue
And guess what—tomorrow
It's gonna rain too
However Bruce and I still wish
The very best for you.

Love,
Anne

Dear Suzi,
It's raining again
Raining, it's true
And we really wish
The skies would turn blue
The rain comes down
With a pitter-patter sound
And umbrellas are open
All around.

And Bruce and I say
"Hello" to you today.
Love,
Anne

Dear Suzi,
What a relief
The sun does shine
And we know
All will be fine
Fine for you
Fine for me
Fine forever
Through eternity.

Love to you
From Bruce and me. Anne

Dear Suzi,
Friday is here
Shabbat is near
Time to relax
And be of good cheer
The sun it does shine
All will be fine
Peace for us all
Won't it be devine.

Bruce and I wish for you
All that's good and true.

Love,
Anne

Dear Suzi,
There's a special blessing
For Shabbat
Peace and rest
It means a lot
We wish for you
All that's good and true
And may your fondest dreams
Be granted to you.

Love from me and Bruce too.
Anne

Dear Suzi,
Tuesday, Tuesday
The rain it came
Tuesday, Tuesday
Down it came
First the clouds
Then the rain
Tuesday, Tuesday
Rain, rain, rain
Hope for you
The sun shines through
That's what I say
And Bruce does too.
Love,
Anne

Dear Suzi,
Wednesday is here
It's cold and it's clear
I'm going out tonight
It will be cold, all right
Hope you are where
There is nice warm air
And Bruce and I say
"Hope all's well with you, Dear."
Love,
Anne

Dear Suzi,
Today is freezing cold
Tomorrow will be worse
Gonna stay inside
I'll say it all in verse
Hope all is well with you
Say I and Bruce does too
Stay inside where it is warm
And the cold wind will do you no harm.
Love,
Anne

Dear Suzi,
It's Friday. It's Friday
It's Friday today
And the cold weather
Won't go away
But indoors
The heat's on to stay
So stay indoors
Bruce and I say.
Love,
Anne

Dear Suzi,
Hey! Hey!
Another cold day
But warmer weather
Is on its way
Hey! Hey!
Bruce and I say
Be sure to have
A super great day.
Love,
Anne

ADIEU

Hope you enjoyed
What I wrote for you
And for now
We'll say adieu.
