When things get to be

Too much for us

Special rhymes

For 3+

That just about means

All of us

To dial 988

May not be great

But sometimes we need it

Before it's too late

There's lots in life

That's fun to do

But we must be here

To do it, too

I love you

You love me

Let's be friends

Happily

We all have issues
In life—so true
What shall we do?
What shall we do?

Sometimes we don't know
What to do
And sometimes a good friend
Will help us through

Even at night
In the dark sky
The moon and the stars
Shine on high

To dial 988
May help us at last
With all our sorrows
Future, present and past

Sometimes we feel
There's no hope and we grieve
But that's just when we need
To believe

We must look forward
To having fun
And that includes
Everyone

The sun it shines
The moon shines too
And so do friends
Who help us through

We must not forget
To eat and sleep
Although sometimes we laugh
And sometimes we weep

Sometimes we feel
There's no one for us
But we have ourselves
Whom we can trust

There are good times for us
With love in store
The grief will pass
And be no more
